MINISTRY OF COMMERCE

PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 4th June 1968

SUBJECT.—Import of fruitsaried, salted or preserved all sorts N.O.S. excluding Dates [S. No. 21(a)(ii)/IV], (ii) Dates [S. No. 21(b)/IV], (iii) Medicinal herbs (Crude Drugs) (S. No. 87-109-IV), (iv) Asafoetida [S. No. 31(b)/V] and other Miscellaneous items from Iran during October, 1967—March, 1968, licensing period.

No. 98-ITC(PN)/68.—Attention of importers is invited to para 5 of Ministry of Commerce Public Notice No. 174-ITC(PN)/67 dated 30th November, 1967, according to which the import licences for various items from Iran for the period October, 1967—March, 1968, are valid for a period of six months.

2. On a review of the position it has been decided that the licences for import of 'Dates' from Iran issued in terms of the Public Notice referred to above, may be treated as valid upto 15th November, 1968. This decision will, however, apply to those licences for import of 'Dates' from Iran, whose validity expires prior to 15th November, 1968.

SUBJECT:—Import of Boilers and parts thereof.

No. 99-ITC(PN)/68.—Attention of Importers is invited to the note relating to "Boiler" and "Boiler Industry" in list A and B of Appendix 35 to the Red Book for April, 1968—March, 1969, wherein it is provided that:

- (i) importers of boilers and fittings are required to furnish a certificate of conformity at the time of applying for an import licence; and
- (ii) in case the goods do not conform to Indian Boiler Regulations, they are not permitted to be imported.

2. Importers have represented that it is not possible to get the requisite certificate before the goods are manufactured. Consequently they are unable to produce the required certificate at the time of making the application. The position has been reviewed and it has been decided, that they may produce the certificate at the time of clearance of the goods to the Customs Authorities. Accordingly it has been decided that the existing entries against the aforesaid note in Appendix 35 of the current Red Book may be substituted by the following:—

- (i) "Boilers, steam pipes and fittings" (as defined in the Indian Boilers Act and Regulations) not conforming to the Indian Boiler Regulations, will not be permitted to be imported unless accompanied by a certificate from the Chief Inspector of Boilers of the State where they are either to be used or to be imported for stock and sale to the effect that the Central Boilers Board has permitted such import. This will also apply in respect of import of boiler fittings against general description licences issued under S. Nos. 36(5)/II, 4(5)/III and 65(5)/V.
- (ii) In all other cases the importer shall furnish a certificate from a recognised Inspecting Authority in the country of origin of the products, as per Appendix 'C' of the Indian Boiler Regulations, 1950 to the effect that the goods desired to be imported conform to the Indian Boiler Regulations. This will also apply in respect of import of boiler fittings against general description licences issued under S. Nos. 36(5)/II, 4(5)/III and 65(5)/V.
- (iii) The certificates referred to in the preceding paragraphs will be furnished to Customs at the time of clearance of the imported goods.
- (iv) The importers should also inform their suppliers of Boilers and the fittings that they should guarantee the fulfilment of the tests prescribed by the Chief Inspector of Boilers, which would be carried out after installation, and in case the goods do not pass the tests they would have to be re-exported and replacement supplied free of cost.

P. D. KASHEKAR,
Chief Controller of Imports and Exports.
